Happy Heavenly Birthday, Sister Thea Bowman, FSPA. Born in Yazoo City, Mississippi on December 29, 1937. She would have been 82 years old today.

Sister Thea once said, “God was so alive in my world. I was reared around a lot of old people. They knew Scripture. I knew people who could not read or write, but they could quote you a Scripture with chapter and verse. They would use Scripture when they were tired and a Scripture when they were frustrated, a Scripture to challenge us...a Scripture to threaten you, a Scripture to reward you or to praise you or to teach you; I grew up in that kind of world.”

Servant of God Sister Thea Bowman, Pray for us!
