

Sister Thea Bowman Foundation Graduates - Knights of Columbus Scholarships

This scholarship is named for Sister Thea Bowman (1937-1990), an African-America religious who inspired many people with her urgent and uplifting call for better education for children of the black community.

In August 2005, the Board of Directors approved a four-year grant in the amount of \$37,500 per year for five single black mothers to study at the College of St. Mary in Omaha, Neb., while their children are in a day-care program offered through the college. The scholarships were awarded in 2006 and the recipients graduated earlier this year.
