

[Nathan Yungerberg](#) on Facebook, June 4, 2019:

I finally got to meet my brother Father Maurice Nutt who happened to be in Chicago for a meeting and came to my reading last night.

Maurice is playing an integral role in the cause for canonization of Sister Thea Bowman and he has been an invaluable resource in the development of my play!

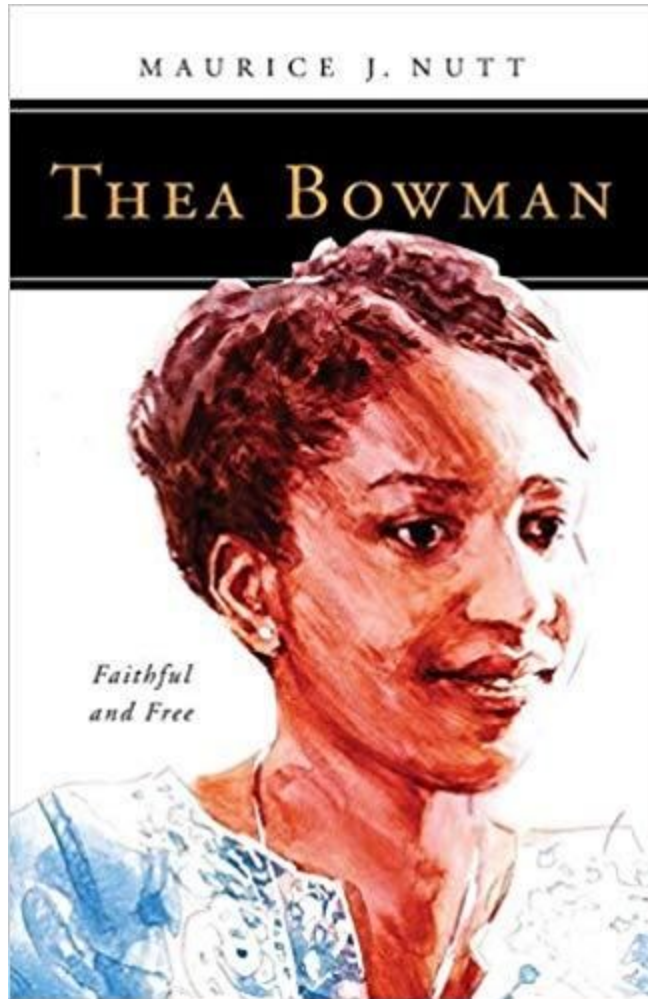

He also wrote a biography about Thea that just came out: it's called ***Thea Bowman: Faithful and Free.***
